I have a full UK driving licence and a car of my own, which I have used to travel the length and breadth of the country for work. My aim as an assistant is to make your job as easy and hassle free as possible. I am reliable, attentive and always on time (I also come with a coffee).

I have worked on many different shoots from editorial portraiture - food and everything in between. I aim to please and strive to give my all on every job I work on.
