Objective

Currently looking for work within the Photographic industry. I will consider work experience or test shoots as part of the application process. I am looking for long term employment as part of a dedicated and enthusiastic team. I have experience in all areas of photography. Including. Fashion, Advertising, Product and corporate photography. I would like to work in any field of photography as I am flexible and adaptable to adapt to any given task.

With an extensive knowledge of photographic techniques and the equipment used within the industry. I will be a great asset to your company.

About Me.

Hard working and productive. With plenty of experience in driving myself as well as my colleagues to provide results in a timely manner. With many years of experience working with the public in a professional and courteous manner. My goal is to really contribute to a business, helping to drive sales and develop new products and services.

From Management experience I am aware when it comes to the, financial, legal, and moral, obligations of running a business. I understand that whatever is best for my company is best for me. More than anything I want to be part of a successful passionate team with a shared ambition to be the best in the industry.

I am able to instantly build a rapport and trust with new people quickly. Which is essential for this type of work. My instinctiveness in being able to understand people quickly along with a strong sense of empathy are key to getting good results. I use this to make people feel better and more relaxed when I am working. I am a approachable naturally friendly person.

I take a lot of pride in my work. I like to produce subtle natural looking shots, without any gimmicks. Within these bounds I like to be creative as possible using either natural or studio lighting, as well as combinations of both to create drama or effects. Also have used portable lighting kits and speed lights and reflectors etc, to add interest and quality to my shots. Giving me adequate knowledge to take photographs well in any situation.

I am familiar with best practices for file handling storage and back up, as well as digital image editing to a professional standard. Along with a significant knowledge on how to optimize files for print or to publish online.

I have a full UK driving license and own a car.

My attendance and punctuality are excellent I have only had one day off for sickness in the last nine years of work. I have always supported myself and have never had a period of unemployment.
