## OBJECTIVE

Throughout my education I have gained many skills, both creative and technical. I believe a strong sense of professionalism, reliability and good communication skills are key to successful working practice. I have a keen eye for detail and problem solving and I have plenty experience working as part of a team in the production of photoshoots. I would like to use what knowledge I have to assist an experienced professional in their day to day practice.

## EDUCATION

Aug 2011 - Jun 2015

Edinburgh College  
*BA in Professional Photography*

Aug 2002 - May 2007

Musselburgh Grammar School
