

Serge Chabert

PHOTOGRAPHY

I am seeking a position as a photographer within an organisation offering opportunity to develop professionally where I can use my creative skills and experience for company profitability. I work well with people and have many years experience as a Studio and outdoors photographer, giving me the confidence to interact well with models of all levels and creative artists.

Experience With

Most currently used professional camera systems, both film and digital.
Light metering systems.
Studio lighting set-ups, including flash and continuous light.
Digital image-processing systems including Adobe Photoshop and Aperture.
